another  
workshop.

Title of 1<sup>st</sup> workshop  
(2021-22)

## “Recent Advance and Trends in Instrumentations”

## RUDRA INSTITUTE OF TECHNOLOGY

NH- 119, Mawana Khurd (meerut)

CCSU Code - 686

## Department of Science & Agriculture

Organizing

## Two days Workshop

On

## “Handling of Analytical instruments and Advance tools for Experimental Science”

6<sup>th</sup>- 7<sup>th</sup> Dec. 2022

### VENUE

MPH, 2<sup>nd</sup> Floor College  
Campus

## About the College

Rudra Institute of technology, set up in 2010, is today operating in sylvan surrounding with a campus sprawling around 10 acres and has been successfully able to create the dynamic environment. The highly qualified and industry experienced faculties at Rudra Institute of Technology are redesigning the management curricula in tune with the changing dynamics of the business environment to make the students ready to take the challenges and risk of the corporate world by horn.

## About the Workshop

This workshop focuses on the latest scientific developments and cutting edge technologies in applied science. This workshop will be a forum for the exchange of new ideas and concepts on varied fields of sciences. The main objective of the conference is to provide an unique opportunity and a wider arena for researchers, academicians, scientists and students to gain valuable knowledge and discuss broader aspects of sciences and its applicability for a safe and sustainable environment for the future generations.
